

The House of Prayer

If anyone is in Christ, he is a new creature.... II Corinthians 5:17

Partnering with the HOUSE OF PRAYER

We hear about the opioid crisis and the deaths due to overdoses and the damage that addiction is causing to families and lives. Would you like to be a part of making a difference?

Here at the House of Prayer we have a mission to build up and mobilize spiritual warriors who are determined to take hold of God's promises and live extraordinary lives for His glory.

As you invest in the House of Prayer with resources, as you pray for us regularly or volunteer your time at our thrift store, **YOU BECOME A PART OF THE SOLUTION!**

Through your partnership in one of these ways you can expect to be blessed by hearing testimonies of changed lives!

We are supported primarily by charitable contributions and prayer from individuals. We do not turn away men who are desiring a change in their lives due to an inability to pay the entrance fee. Jesus said "come to me all of you who are weary".

It is only through YOUR partnership with US that this is possible. Would you please consider how you can be a part of this life changing ministry TODAY? We need your help now, more than ever, as we co-labor with Jesus to fulfill this mission. Blessings to you!

Thank you!!

.....

God is showing me how to love and how to trust others again. Before I came to the HOP, I was an empty shell, but now I am filled with love and joy.

Jason

God is giving me peace and a place of refuge at the HOP. He is giving me an opportunity to get still and hear His voice.

Jamie

The Lord is doing big things in my life. He has restored my relationship with my family. He has given me peace and a purpose and joy unspeakable. He's developed my character into a far less selfish individual and imparted a hunger in me to love and serve others.

Tucker

God has started showing me peace and joy. Before I came to the HOP I was filled with guilt and anxiety. I am finding who I used to be.

Caleb

Life is worth living. I was empty inside. Jesus and the HOP have taught me what it means to have a family. As long as the foundation is love, I can make it through all the ups and downs in life. This is what it means to be alive in Christ.
